

Hélène Jeanclaude comes to New Mexico!

August 17 & 18, 2019 in Albuquerque, NM

9:00 – 1:00 and 2:00 – 6:00

Join us as we welcome Hélène Jeanclaude to New Mexico where she will be sharing with us many of her amazing polymer clay techniques.

These are the spectacular pieces we will be creating in the two day workshop!

Hélène uses Cernit polymer clay in her work and a list of supplies will be sent to you several months before the workshop so that you may order your clay ahead of time. This is a great opportunity to work with Cernit clay if you have not done so previously.

Workshop will be held in the Quality Suites conference room – 3rd floor
1501 Gibson Boulevard, Albuquerque, NM

\$260.00

Workshop is limited to 20 participants.

To secure your spot a 50% deposit is required as soon as you receive confirmation that space is available. Balance of payment must be received by June 30, 2019 to allow lead time for securing good flight rates.

Payment by check or money order should be made out to Annie Hooten and sent to

Annie Hooten
1720 Ross Place SE
Albuquerque, NM 87108

No cancellations will be accepted after June 30, 2019 unless you are able to personally find a replacement to take your spot or there is a waiting list with someone available to take your place. All cancellations will incur a \$50 administration fee.

Students coming from out of town may stay at the Quality Suites with free shuttle from the airport or next door at the Hawthorn Suites. There are several restaurants within walking distance of both hotels.

There will be a group dinner at a nearby restaurant on Saturday evening, August 17 and family and friends are welcome to join. (Not included in the price of the workshop.)

I am always available for any questions you have and I look forward to welcoming you!!
